“ Oh little brother how wise were thee. How loyal were thee. I am thinking through our last conversation and how proud I was of you and all you've done. You were too of your class with class and always crispier than the next. Your life was big and it will be missed.

“ At Wagner College we called him Shorty. He was quick and fast and one great guy,loved by coaches and teammates alike! He had a great heart and a great motor and he was always smiling! To have a great team--you need guys that respect and love one another--and Tremayne was a great teammate! I wish I had seen more of him since he left Wagner,but he was out making his way in the world and putting a smile on people.s faces! love you Shorty--Godspeed!

“ *Mayne, you will truly be missed. You are a very special person, and I always felt your love. Even with me living down South, I cherish all of our conversations, text messages, and Instagram messages. I went back and listened to all the "Mistarello and Blendmaster mixes you sent me! You kept me with fire mixes in my ears! This is so hard.....I love you so much..... I'm praying for everyone's strength during this difficult time. Love you Cuz.....*

“ *Mayne this has come as a shock to many of us! My fly cuz! Always so kind , caring and respectful. You were the coolest in the room. I remember my oldest daughter would always come in your room and mess with your computer lol or just to sit and watch TV with you. You would love my grandmother (Aunt Mary) cooking. Never missed a thanksgiving. I am deeply hurt and saddened that your mom , brothers and all of your family have to go through this journey. You will be deeply missed! And I will be there to honor you. Love you cuz!!!*
