“ *What I remember most is how much he was loved by his family. I always enjoyed hearing the "grandpa stories".....they always made me laugh. I remember seeing him in the diner with a smile on his face socializing with everyone. He was loved by many....😊*

“ *There is almost a endless number of emotions to feel when someone you care about passes on. Those feelings can become intense. Bill will be missed dearly, he was giving thoughtful and an amazing man. He was always surrounded by so much love. There really is no message I can write to express what he meant to me. His memory will become my treasure.*
